

Save Water, Save Energy, Save Money

## Help Us to Save

## Volunteer Opportunities at the South Bay Energy Savings Center

The South Bay Energy Savings Center (SBESC) is the South Bay's local clearinghouse for energy efficiency and water conservation information, training and materials.

SBESC is looking for volunteers interested in office support, inventory control, community outreach, labeling, and preparing materials for workshops and events regarding educating South Bay businesses, residents and public agencies about energy efficiency and water conservation.

If you are interested in getting involved and taking some action to save the planet, SBESC would love to have you be part of the family.

Call Martha Segovia at (310) 543-3022 for more information.
