What is CES?

The Coordinated Entry System (CES) brings together existing regional programs under one collaborative framework connecting youth, adults, and families experiencing homelessness to the best resources that meet their needs. It is implemented throughout Los Angeles County, ensuring a consistent response and complete coverage of those experiencing homelessness no matter where they live.

What are Regional “Hubs”?

The South Bay is divided into regional hubs to better serve the entire South Bay. A lead agency covers the communities within its assigned hub.
