| <p>SB 1298 (Hernandez)</p> | <p>High Occupancy Toll Lanes. Removes the limitations on the number of HOT lanes that the California Transportation Commission may approve and would delete the January 1, 2012 deadline for HOT lane applications. Would also delete the requirement for public hearings on each application.</p> | <p>MONITOR</p> | <p>3/6/14 Senate Transportation and Housing Committee</p> |
| <p>HR 2468 (Matsui)</p> | <p>Safe Streets Act of 2013 - Requires each state to have in effect within two years a law, or each state department of transportation and metropolitan planning organization (MPO) an explicit policy statement, that requires all federally-funded transportation projects, with certain exceptions, to accommodate the safety and convenience of all users in accordance with certain complete streets principles. Defines "complete streets principles" as federal, state, local, or regional level transportation laws, policies, or principles which ensure that the safety and convenience of all users of a transportation system, including pedestrians, bicyclists, public transit users, children, older individuals, motorists, freight vehicles, and individuals with disabilities, are accommodated in all phases of project planning and development. Allows such law or policy to make project-specific exemptions from such principles only if: (1) affected roadways prohibit specified users by law from using them, the cost of a compliance project would be excessively disproportionate to the need, or the population, employment densities, traffic volumes, or level of transit service around a roadway is so low that the expected roadway users will not include pedestrians, public transportation, freight vehicles, or bicyclists; and (2) all such exemptions are properly approved. Requires the Secretary of Transportation (DOT) to establish</p> | <p>RECOMMEND SUPPORT</p> | <p>6/21/2013 Referred to the Subcommittee on Highways and Transit.</p> |
